DUST AND CLEAN WITHOUT HARSH CHEMICALS FOR BETTER VISION

Item # 08625
 Box of Microfiber Towels Only
 20-6"x6" Towels, 1-12"x12" Towel

IT Screen Lens Cleaner is best used in combination with specially engineered IT Microfiber Towel. Lightly spray the towel and start polishing! Cleaning a smudged television screen, a grimy cell phone or a monitor full of fingerprints? Get a sparkling finish in seconds. Our IT Screen Lens Cleaner is just as safe for the environment as it is for you and your family. It's non-toxic and contains neither alcohol nor ammonia. Use it over and over, with complete confidence, on any of your sensitive equipment.
